

Spanish Statement of Intent

At St. Margaret Mary's Juniors, we intend to use the Language Angels scheme of work and resources to ensure we offer a relevant, broad, vibrant and ambitious foreign languages curriculum that will inspire and excite our pupils using a wide variety of topics and themes. All pupils will be expected to achieve their full potential by encouraging high expectations and excellent standards in their foreign language learning - the ultimate aim being that pupils will develop a genuine interest and positive curiosity about foreign languages. We want our pupils to find language learning enjoyable and stimulating whilst developing a deeper understanding of other cultures around the world and increasing their awareness of cultural differences.

The four key language learning skills; **listening, speaking, reading** and **writing** will be taught and all necessary **grammar** will be covered in an age-appropriate way across the primary phase. This will enable pupils to use and apply their learning in a variety of contexts, laying down solid foundations for future language learning and also helping the children improve overall attainment in other subject areas.

Aims

We follow the national curriculum for MFL, which aims to ensure that all pupils:

- Understand and respond to spoken and written language from a variety of authentic sources.
- Speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation.
- Can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt.
- Discover and develop an appreciation of a range of writing in the language studied.
