LETTING CHRIST'S SPIRIT PRAY IN YOU: Many Catholics grow naturally into CONTEMPLATIVE PRAYER after starting prayer with other ways. Doing and saying less ourselves in prayer time is what happens after a while, and learning ways of simply, steadily being still and more and more silent in prayer time is the key. Contemplative prayer is then really being with God attentively, without much to say or think— but it is a time when our faithing is letting God's Spirit of love be active within our soul. "Soulcare Meditation" is a time for people to learn and practise this contemplative prayer. It is open to everyone—new beginners or for experienced pray-ers/meditators to use the time. Saturday March 1st is the next time: come for either or both sessions in St Teresa's house: 11am to 1pm and 2pm to 3.30pm and there is a contemplative eucharist at 3.30pm for those who wish.Fr. Tony Slingo.
